XEV Shiksha

The banner features the ASDC, NCVET, and Skill India logos at the top. The main heading is "Your Reviews Our Roadmap!". Below this, a paragraph states: "Your reviews fuel our dedication to sculpt the automotive skills of tomorrow. With each feedback, we push for excellence, ensuring every skilling journey with us is nothing short of extraordinary." The central illustration shows a woman and a man using smartphones, with a large smartphone screen displaying a review form for ASDC. A QR code is positioned to the right of the illustration, with a call to action: "Scan here to add your feedback". The bottom of the banner includes social media handles for ASDC on various platforms.

The future belongs to electric hybrid vehicles. Together, Toyota Kirloskar Motor & ASDC have developed xEV SHIKSHA, a 45-minute online certification programme that instructs car enthusiasts in cutting-edge technologies.

Please sign up now by scanning the QR Code.

EV charging

The banner features the Bolt.Earth, ASDC, NCVET, and Skill India logos at the top. The main heading is "Unlock the world of Electric Vehicles!". Below this, a paragraph states: "Dive into our EV Charging module to learn about EV supply Equipment, charging station types, smart charging, and more." The central illustration shows a black car with a green "EV" license plate parked at a charging station. A QR code is positioned to the right of the car, with a call to action: "Scan here". Below the illustration, a call to action reads: "Watch, test, and share your certificate to showcase your new qualification!". The bottom of the banner includes social media handles for ASDC on various platforms.

Embark on an educational journey with our EV charging course developed in collaboration with Gain expertise in EV supply equipment and installation processes.
